Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Applicants' representative, Ms. Susan B. Fentress, was contacted via telephone on 3/15/2005. A voice mail message was left for applicants' representative indicating that no response to the Office action mailed 6/16/2004 had been received. Applicants' representative was notified that the application would be abandoned on 3/18/2005 if no reply to the examiner's voice mail message was received by close of business on that day. The examiner received no reply and the application was abandoned.
